

Car Pooling Request Form***

West Plains Little League is founded on the principal that fair and competitive balance brings the best growth and development of ALL of our players. To maintain the fair balance that the WPLL board strives for, players are randomly chosen and placed on to teams. This allows for all of our players to play on a competitive team and prevents one team from being “stacked”.

However, the WPLL board also realizes that our boundaries contain over 400 square miles of land, and travel time from one side of the league to the other can top 45 minutes. Taking into consideration that there are single parent families, families where both parents work and families with unique situations (*ie – parent in the military*), the WPLL board will allow carpool requests per completion of this form and approval by the board.

The board asks that this form only be completed when a carpool is necessary for your child to play and not a convenience. Please keep in mind that our goal is the greater good of all of our kids experiencing success.

Example of valid carpool requests are: *We do not have a car, spouse away in Iraq, both parents work at night.*

Examples of invalid carpool requests are: *Our kids are best friends, it is convenient for me, We want to be on Coach X’s team.*

Please fill out the questionnaire below to allow the WPLL board to review your situation. WPLL board will only allow two players to be grouped in a carpool and carpool chains will be broken up.
