Coaches not knowing the rules

Players at the AAA level only playing a couple of positions

Bad sportsmanship by parents and coaches

All-Stars with a tryout

Rule changes halfway through the season

Close Books – Daryl Krumm gave the board a printout of what money was spent, and what money was made. Thanks to hard work from everybody and a very generous community, the books closed with us being in the plus by 500.00

Safety Update – Our safety plan was approved this year, so we received 125.00 back from Little League that will be applied to next years registration fee.

Approve New Board Members – There were nine people that wanted to join the board. These members were voted on and approved. They are: Dan & Marianne Davenport, James Whiteley, Jeff Holy, Tony Harbolt, Bob Byrnes, Patrick Perez, James Ford, and Rob Beamer.

In addition, two board members resigned their positions. Dean Bitz and Steve Southwick will no longer be serving on our board. Their hard work is very much appreciated and their input will be missed.

Reselect Board Positions – Positions inside the board were reselected. The following positions will be filled by the following people:

Uniforms and their collection – Jeff King and Daryl Krumm will inventory equipment and then try to track down everything that is missing. We first need to clean out Jim King's garage since he has half of the equipment ☺

Web Site Updates – Adam Smith will work on getting updates done (Which he hasn't yet because he has been working on the CHS web site. That is done, so Little League will be getting a facelift very soon)

Softball Discussion – Chrystal Southwick and Jim King want to pursue starting softball. The board is in full support of starting softball for our young ladies and informed these two that all of the major paper work has been completed, we just need to have signup and get enough girls involved to start a league up. This next spring, it is our intent to run a full softball league. Jim Missel at Cheney High School has already volunteered to let the girls use the new softball fields that are being created for the high school team.

13-14 discussion – Adam Smith will work with Spokane North and Spokane South to set up a league for next year.

Grants and building fields – Land was discussed and how we want to go about getting it was also discussed, but no real decisions were made.

On Line Registration (Yes or No) – Tabled for next meeting. More information was needed.

Season ending observations – We all had a great time and many of us were repeatedly thanked for our efforts to bring Little League to the West Plains. For this reason, the board felt that we had a great year and everybody cannot wait for next year to begin.
