Medical Lake Shed & Ordering Mounds – After discussion, it was motioned and passed to purchase a short mound for trial. If it worked, a second short mound would be purchased.

Junior League Report – Adam Smith reported that things were on track for Junior League. However, South Spokane was canceling their Junior League program which left West Plains as the only Junior League program in our district. There was a possibility of maybe inter-leaguering with Spokane Indians Youth Baseball. Adam Smith was going to follow up on that.

Cheney Work Party – Adam Smith was going to e-mail coaches and board members for help on cleaning up the fields for Opening Ceremonies

Opening Ceremonies – Adam...and whole board. Board members were asked to show up by 9:00 to help. Adam Smith was going to be there at 8:00. Amber Wiseman was going to print team names for the stakes. Randy Weatherbee was going to do the announcing. We were also going to announce an equipment swap for people to exchange equipment. Adam Smith was going to e-mail all board members as well as league parents regarding Opening Ceremony details.

Also discussed was our 10 year sponsor recognition. Rosas Pizza was identified as a 10 year sponsor of our league. It was also decided to recognize Brad Barsness for his support of the league by asking him to throw out the first pitch.

Game Start Times – Robin Chabott asked that we move game times to 5:30 for Majors games for the next two weeks. Teams were running out of daylight to play the whole game. The board was OK with it as long as both teams and umpires were OK with it.

Other Business -

Rachel Griffey submitted the volunteer form by-law for approval. It was moved, seconded and passed to approve our retention plan for volunteer applications.
